MEMBERS and their guests wishing to take part in item 5 are asked to bring scores if they have them. It is proposed to attempt numbers 1,3,4,6,8,9,15 and 17 from the 'Liebeslieder' and numbers 3,4,5,6,7,8, 13 and the finale from the 'Neue Liebeslieder'.

TORRINGTON SQUARE is now a street running north from the University of London Senate House (nearest Tube, Russell Square), and No. 18 is at the southern end.

There will be a COMMITTEE MEETING in the interval of the concert, to elect new members.

The Secretary and Treasurer would be very grateful if those members who have not yet completed and returned the cards recently circulated, would do so as soon as possible, in duplicate; this is the only method of checking addresses and other details.
